

AMENDED IN SENATE AUGUST 31, 2007

AMENDED IN ASSEMBLY APRIL 30, 2007

CALIFORNIA LEGISLATURE—2007–08 REGULAR SESSION

ASSEMBLY BILL

No. 617

Introduced by Assembly Member Torrico

February 21, 2007

An act to ~~repeal~~ *amend, repeal*, and add Section 12112 of the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

AB 617, as amended, Torrico. State contracts: information technology goods and services.

Existing law authorizes the Department of General Services to provide for progress payments in any contract for information technology goods or services that are to be manufactured or performed by the contractor, exclusively for the state, at the contractor's shop or plant, provided that not less than 10% of the contract price be withheld until final delivery and acceptance of the goods or services, and that the contractor submit a faithful performance bond, in a specified sum.

This bill would ~~repeal this provision authorizing the department to provide for progress payments in any contract for information technology goods or services that are to be manufactured or performed by the contractor, exclusively for the state. This bill would instead require, until July 1, 2013, delete the performance bond requirement, and would require the department, in consultation with the Department of Finance, to develop and maintain guidelines to establish a framework criteria for the evaluation of risk to the state that results from the acquisition of information technology goods or services, and would~~

require this risk analysis to determine the need for financial protection that is in the best interest of the state, as specified. *This bill would also require the department to submit the criteria developed and maintained for the evaluation of risk to the state that results from the acquisition of information technology goods and services to the Joint Legislative Budget Committee and to the State Chief Information Officer, as specified. This bill would require the State Chief Information Officer to review all contracts approved pursuant to this provision, as specified, and to submit a report to the Legislature, as specified.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
